

如何在家中使用圖書館的電子資料庫?

How can I access the Library electronic databases from home?

所有職員及已註冊的學生均可在校外使用圖書館的電子資料庫。

讀者可於登入版(via **Ezproxy authentication**)輸入學生/職員證號碼及密碼遙距取存電子資料庫。有關詳情，請向借還書處查詢或電郵圖書館 library@cihe.edu.hk

Staff members and currently enrolled students are allowed to access the Library electronic databases from off-campus.

Remote access to the e-resources requires authentication via **Ezproxy authentication** by entering the Network login username and password. For enquiries, please contact the Library or email library@cihe.edu.hk

The screenshot shows the library website's navigation menu with 'Quick Links' containing 'A-Z List e-databases' and 'A-Z List e-journals'. Below, the 'A-Z List e-Databases' page is displayed with a table of resources. A separate inset shows the 'Library Electronic Resources Remote Access' login form with fields for Username and Password.
